## VOLUNTEERING

### Youth Volunteer - Lebanese Red Cross (09/2021 - 09/2022)

I participated in fundraising efforts and awareness campaigns across various cities. I organized events and workshops focused on health, safety, and community well-being, particularly targeting youth and families. My role involved collaborating with local communities to enhance disaster preparedness and provide humanitarian relief, demonstrating my commitment to community service and social responsibility.

## CERTIFICATES

### Full Stack Web Development (06/2024 - Present)

This comprehensive certification program provides in-depth training in both frontend and backend development, preparing participants to build robust, scalable web applications. Key areas of focus include mastering **HTML**, **CSS**, and **JavaScript** for creating responsive and interactive user interfaces, as well as backend development using **Node.js** to manage server-side logic and database integration. The program also covers modern frameworks like **React**, essential tools such as **Git** for version control, and best practices for full stack integration, ensuring smooth data flow and user interaction. Additionally, it includes hands-on experience with deployment, DevOps practices, and cloud infrastructure, equipping participants with the skills needed for end-to-end web application development.

### Position Paper Award, GC LAU Model United Nations (05/2021)

Awarded for the best position paper at the 16th GC LAU MUN High School Conference. Recognized for exceptional research, strategic analysis, and alignment with international policies, effectively addressing global issues.
